

## DESIGNING A STREET PLAY

We use a street play to create a message in a picture and get people to stop and look at it.

### 1. SETTING

Wherever if you want to conduct the street play participants always form a Circle. This circle defines the area of performance.

#### PERFORMANCE AREA

*Make your stage setting according to your situations*

### 2. TARGET GROUP & AUDIENCE

To which group do you wish to appeal to? The target group and audience is dependent on the Theme that you select.

e.g.

- Drug - Youth
- Exploitation - Factory worker
- Healthful Living - Common people

### 3. EQUIPMENT'S

The plays are enacted on the streets, the use of equipment are at a minimum.
